

Certificate of Registration

This is to confirm that KPMG Performance Registrar Inc. has verified that

Carrier Forest Products Ltd.

PO Box 1314, Highway 55 East, Prince Albert, Saskatchewan S6V 5S8

Conforms with the requirements of the 2015-2019

Sustainable Forestry Initiative® (SFI) Forest Management Standard

This certification applies to:

Forestry and logging operations (including planning, roads, harvesting and silviculture) by Carrier Forest Products Ltd. on the Prince Albert Forest Management Agreement area, as well as the company's Northwest Term Supply License.

This certification is given subject to the terms and conditions governing the use of this certificate as described in the agreement between KPMG Performance Registrar Inc. and the holder thereof.
Certification does not assure the effectiveness of the Sustainable Forest Management System or continued compliance with relevant forest and environmental legislation and regulations.

Certificate No. PRI-SFI-FM-064
Issue Date: November 3, 2016
Revision Date: October 14, 2021
Expiry Date: November 2, 2022
