PLANER MANAGER – BIG RIVER, SK

THE OPPORTUNITY:

In the heart of cottage country, surrounded by lakes and river, lies Big River, Saskatchewan – home to Carrier Forest Products' sawmill complex.

Discover a life of peace and solitude, with abundant access to the great outdoors. Big River hosts world-class fishing, trophy-level hunting and more quad & snowmobile trails than ever possible to ride.

Big River's community spirit and civic pride are unparalleled, situating itself as an ideal place to raise a family. With an annual production rate of 250 million FBM and counting, this opportunity to work for Saskatchewan's largest sawmill comes replete with opportunities to learn and grow within the position. Carrier Forest Product's corporate culture is one built on hard work, ingenuity and collaboration, with a system based on honour and respect.

If this appeals to you, we urge you to submit your resume for review!

THE QUALIFICATIONS:

The Planer Manager will be an exceptional leader and skilled communicator. They will have the ability to work well with others at all levels and should be a motivated, self-starter. They will need to assume responsibility, manage multiple priorities and make appropriate decisions rapidly on the basis of experience and judgment.

The following qualifications are preferred:

- A minimum of five years' of equivalent experience in forest products manufacturing operations
- Demonstrated progression in leadership roles

THE DUTIES:

- Leads, directs and organizes a team of 40+ planer employees, ensuring each and every team member adheres to the strictest of health, safety and environmental policies and procedures as set out by Carrier Forest Products Ltd.
- Recommends measures to improve production performance techniques, equipment performance, and quality of the product.
- Provides ongoing coaching, leadership, training and support for operating personnel and fosters a professional working relationship with all employees.
- Provides leadership and direction around strategic planning and is responsible for capital projects' planning and implementation.
- Gives immediate feedback and recommendations on problems and opportunities.

Salary is commensurate with experience. Interested candidates may submit resumes in confidence to the Executive Assistant at resumes@carrierforestproducts.ca or fax: 250-563-9371. We thank all those who apply, but only qualified applicants will be contacted.
